

WHO WE ARE

The Alabama Association of Administrative Assistants (AAAA) was organized under the umbrella of the Alabama Association of School Boards (AASB) in 2012 to provide professional development and networking opportunities for those who directly or indirectly support school boards.

AAAA is designed to enhance the work of administrative assistants, secretaries, and other office professionals whose contributions help make it possible for school boards to successfully carry out their duties and whose work is so crucial that conducting it improperly could have legal implications for school boards.

AAAA also endeavors to ensure a pool of professionals skilled and knowledgeable about the unique role of the administrative assistant/school board secretary.

ANNUAL CONFERENCE

Each year members of AAAA will gather for a professional development conference. Locations and dates may vary. When conference details are determined, they will be posted on the "secretaries" page under the "members" tab at AlabamaSchoolBoards.org. A conference registration fee is required. A block of discounted hotel rooms will be available. Prompt reservations are strongly encouraged since rooms are first come, first served and often sell out early.
